Journey of Love

Jewelry Works

jewelryworksgainesville.com

About Us

Jewelry Works has been open to the public since 2006, serving Gainesville and surrounding areas with high-quality repair services, custom created jewelry, and stunning unique fine jewelry found nowhere else. Caring, thoughtful, and focused on the quality of our products and services, we pride ourselves on our high standards while remaining approachable and realistic with our customers.

Our clientele consists of long lasting customers who appreciate our honesty and high skill level, as they know they can trust us with their most treasured jewelry and timepieces. In the last few years, we have expanded our location to better assist our clients. This has allowed us to carry a expansive selection of one-of-a-kind consignment items. This includes large diamond bridal, unique colored stone jewelry, as well as luxury timepieces such as Rolex. We also hand select our in-stock fine jewelry pieces to ensure our selection stands out among other local generic options. We here at Jewelry Works are Gator fans, evidenced by our full line of locally crafted Gator jewelry in sterling silver and 14-karat gold, as well as our one-of-a-kind treasure coin line. We also carry a large selection of timepieces consisting of brands such as Seiko, Pulsar, Reactor and many more. Our stock changes weekly with new items, so please, come in and say hello!

The Endless Embrace Collection®

We are proud to showcase our new and exclusive *French Cut Pavé Set* Bridal Engagement Ring and Wedding Band Collection that has been specifically created for the *Person* you cherish most in this world.

Every polished brilliant diamond has been matched, hand selected, and meticulously set into each finely crafted ring by our most experienced jewelers. The graceful open "U shape" and "V shape" settings combined with the perfectly faceted angles of the lustrous hand-polished 14kt gold, minimize the metal around the closely set diamonds, to let you fully view them from the side. This unique feature allows more light to enter, and reflect through, the diamonds to create a mesmerizing and dazzling effect, which is accentuated by their brilliance and fire.

These elegant diamond rings have been copyrighted, trademarked, and are only available through selected Independent Retailers in the Continental US.

*Call for other center stone sizes
